

Rosary OSHC Newsletter

WELCOME TO OUR FIRST OSHC NEWSLETTER!

We would like to begin by thanking all staff, students and families within the Rosary community for helping us grow and feel welcome. Our newsletter aims to inform families of events and changes within the service, answer FAQ's and celebrate students' achievement in OSHC. We hope for this to be a platform for families to provide feedback and suggestions to help us improve the experiences of children in our care.

XPLOR:

At the end of last term we moved to a new system called 'Xplor', which is now used for all booking, billing and sign in/out procedures.

- *Existing families:* If you have not received an email from Xplor, please contact the bookings team for a registration link (08 8200 2516).
- *New Families:* Please access our website and go through the online enrolment process [Xplor Enrolment Form \(myxplor.com\)](#)
- *Xplor Home App:* This app replaces the My Family lounge app, managing bookings, statements and payment. It is the quickest way to sign children in and out of care. If you do not have a smartphone, please use the emailed link to create a pin number to sign kids in and out.

TERM 3 PROGRAM:

This term we are continuing our 'around the world' program theme. Each week we focus on one country and engage in games/ craft and try snacks from the focus country. We would love to have families' insight during our 'travel journey', so please feel free to contact us if you have any recipe suggestions or activity ideas you would like to add to our program. Below are our focus countries for this term:

wk. 1 – Ireland wk. 2 – Malta wk. 3 – Croatia wk. 4 – Brazil wk. 5 – China
wk. 6 - Philippines wk. 7 – South Korea wk. 8 – Serbia wk. 9 – Lebanon wk. 10 – South Africa

AFTER SCHOOL CARE ROUTINE REMINDERS:

A reminder to all students that laptops are for homework use only and can be used from 4pm onwards. Please let our educators know if you need any help with your homework 🙋

Due to our increasing numbers we have students in years 3-6 move over to the gym from 3.10 -3.45. If you are in year 3 or above and would like to go to the gym during these times, please line up near the snack table by 3.10.

(All year levels are able to enjoy time at the gym on Tuesdays and Wednesdays from 4pm and the little oval on every other day)

COMMUNITY PROJECTS:

Bread Tags for Wheelchairs Collection:

We are collecting bread tags for the Aussie Bread Tags for Wheelchairs initiative and would love your support! The tags are recycled locally, raising funds to buy wheelchairs for children and adults in South Africa.

Collection for Kaltjiti:

Kaltjiti (also known as Fregon), is an Aboriginal community in Anangu Pitjantjatjara Yankunytjatjara (APY Lands) in South Australia. A fellow YMCA staff member regularly visits the region for work and collects items such as tea/coffee sachets, pencils and note pads to distribute within schools. Any donations would be greatly appreciated!
