## News from the Principal

Dear Rosary Community

The end of the year is a very busy time for teachers. They have spent hours on assessments, report writing and discerning the best class placement for each child. At the same time, they continue planning and delivering the curriculum. They do deserve a special thank you at this time of year!

Kind regards

Susan

## News from the APRIM

### Vinnies Christmas Appeal

As in previous years, we are supporting the St Vincent de Paul Christmas Appeal. We encourage all members of our community to contribute any of the items listed until the last day of Term 4.

We encourage families, if they can, to support us and Vinnies in any way possible.

The Vinnies volunteers are happy to accept any donations for their Christmas hampers. The items that they are looking to collect are:

- Christmas Pudding
- custard
- Tinned Fruit
- Tuna
- Pasta Sauce
- Tea
- Cordial
- Tinned Vegetables
- Mince Pies
- Tinned Ham
- Pasta
- Rice
- Coffee
- Long Life Milk

Thank you in advance for your support of this very worthwhile cause.

### Rosary Family Mass

We will celebrate our next Parish Family Mass this Sunday at 10am at Our Lady of the Rosary Church.

It will be an extra special community celebration, with ex-Rosary School student Reuben Calleja once again leading us in song during our mass.

In addition, there will be a barbecue after mass for all to enjoy.

## Instumental Concerts 2024

Last week Rosary hosted 4 instrumental concerts over Wednesday and Thursday evenings in our Performing Arts space. These evenings celebrated the talents of our piano, guitar, ukelele and harmonica students. We thank the students for their practice preparing for the concerts and their courage performing to a live audience. Our student compères Amelia, Chrissa, Martika and Candan did a

fantastic job ensuring the concert ran smoothly. Congratulations everyone! It was great to have a supportive audience sharing the talents of our students.

We thank our talented instrumental tutors Denise Haddad and Won Lee (piano) and John Edwards (guitar, ukelele, and harmonica) for their support and preparation of our students and the wonderful success all experienced. Congratulations everyone!

The instrumental concerts also offered Rosary's newest marimba ensemble "The Magical Marimba Masters" or "Triple M" for short the opportunity to perform and share their learning and showcase their talents to family and friends. We congratulate Triple M on their first performance and look forward to many more.

Term 4 in 1RM has been busy so far!

We began dancing, singing and running around with our friends at the R-1 Disco. Thank you to the P & F for organising another

memorable Rosary Disco.

Football is one of our favourite sports and we were lucky enough to participate in a SANFL clinic. We had lots of fun practicing kicking, handballing and marking.

Mathematics and Digital Technology have been integrated this term. The children have been exploring algorithms and developing their coding skills. With a partner, they used Bee-Bots to practice coding a sequence of instructions to move their Bee-Bots through a maze. It was amazing to witness the celebrations and excitement when they successfully achieved this!

In Mathematics, we also had a lot of fun outside measuring and comparing the capacity of different containers using sand and water.

As we come towards the end of another school year we are grateful for so many wonderful memories together.

Here are some of our highlights from 2024:

Milla - *Zoo excursion*

Alexander - *Bee-bots* Ani - *Buddies*

Roland - *Book Week*
